Dear Salem Families,

Please see below updates from the week and [click here](#) for our Salem School District Welcome Back video.

Wishing you a safe weekend as we watch and prepare for Tropical Storm Henri.

- **Reopening Plan** - please [click here](#) for our updated reopening plan that is consistent with the Connecticut Department of Public Health guidelines and has been reviewed with the Uncas Health District. Every effort was made to incorporate feedback from staff and families while preserving and maintaining a safe school environment. Please continue to share feedback by clicking [here](#).
- **School lunch wave update** - the covered 'Park and Play' area in the back of the school has been approved by our Fire Marshall for lunch wave use. This will allow for increased social distancing during lunch waves this Fall. As the weather changes, we will look for other options to maximize social distancing during lunch waves.
- **Meet and Greet with the Superintendent (hosted by the PTO)** will take place at 5pm on the field on Wednesday, August 25th.
- **Bus Routes** will be posted to our website by next Tuesday afternoon and we will be asking families to verify their intent of sending their child to school on the bus so we can finalize our drop off and pick up procedures.
- **Start of School Letter** - [click here](#) for previously shared letter from Principal Phillips and Assistant Principal Driscoll.
- **School Messenger Update** - please click [here](#) for a flyer on opting into our new messaging system via text.
