BUSINESS AND NON-INSTRUCTIONAL OPERATIONS

TUITION FEES

The Board of Education may permit students from other school districts to attend Salem School when they can be accommodated in existing classes. The students or their sending district will pay a tuition fee. The tuition fee will be determined annually in accordance with the Salem Board of Education's Tuition Fees procedures.

The non-resident tuition rate will cover regular education students and students with special needs, exclusive of transportation, paraprofessional support, and related or extended services. For students with those needs, the base tuition fee will be applied along with additional payment for services.
