

Salem Preschool Parent Information For the 2020-2021 School Year

Welcome to the **Annual** Salem Preschool Screening

Salem School is very proud of its Preschool program. Our classroom is an inviting, safe and exciting place for children to begin their school career and make friends. Based on the growing needs of the classroom, the Preschool program is currently scheduled to run four days a week from 8:40-1:40.

The following information is important for you to note:

1. The Preschool program is open to Salem residents only. There are no exceptions to this policy.
2. Children will be given placements based on the following criteria in order to maintain a balanced classroom:
 - Children with Special Needs
 - 4 year old typical peer models as space permits
 - 3 year old children found to be at-risk developmentally (through a monitoring process over time)
 - 3 year old typical peer models (3 by Sept. 1st) as space permits
3. If a placement is offered into our program, parents will receive notification by April 24, 2020.
4. Tuition and transportation for Regular Education children will be the responsibility of the parent.

Every student considering enrollment in the Preschool program must complete the preschool screening process. You are strongly encouraged to attend on March 18, 2020. If you have concerns and are unable to attend, please contact Patti Wenrich at 860-859-3988.
