If you have used this payment system in the past (SY2015-16 was the last year that Salem School District used this system) and you go to create a new account you may get a message that your username is linked to an existing account. If this happens, login to the account using the email account and click on "forgot username or password". You will get an email message from do-not-reply@myschoolbucks.com with a link to obtain a new password. Once you access the account, you can update or add your students as listed above. If you have issues with this, please contact MySchoolBucks parent support at (855) 832-5226 for assistance.

Please note that since meals were sold manually since the start of school, many accounts have negative balances at this time. Negative balance letters are being sent home today let you know what is currently owed on student accounts. You may also access this information and make a payment once you have created your student account using MySchoolBucks.

Thank you!
