**Donna Gittleman**  
Director of Student Services

August 24, 2020

Dear Parents and Guardians,

This year will bring many changes in the Food Service Department. Meals will be served in classrooms versus the cafeteria and there will not be any ala carte sales. We will be requesting that parents order breakfasts and lunches using a weekly order form versus daily ordering at school. We will not accept payments in the school, but ask that all payments for meals be made in advance using the Myschoolbucks system.

For menus, order forms, Myschoolbucks information, and more please visit our [WEBSITE](#). Thank you for your continued support and cooperation.

Sincerely,

Chris Urban  
Food Service Director  
Salem School District
