

Salem School Weekly Breakfast and Lunch Order Form for Parents

For the Week of _____

For Student _____

Grade _____

Homeroom/Teacher _____

In order to streamline the meal ordering process, we are asking all parents whose child will be eating breakfast or lunch at school for any or all days during an upcoming week that you submit this form to your child’s teacher or e-mail this form to Mrs. Wood at lwood@salem.cen.ct.gov by each Friday (by 9am) prior to that week. The monthly menu is on our website (link: <https://www.salemschools.org/Page/1207>). Student meals will be brought to your child in his/her classroom and we won’t be serving any snacks this year. Please put an “X” by the type of meal (if any) you want to order for your child for the date indicated. Leave blank if no meal is being ordered for that date.

For SY2020-21 we will not accept in-school transactions for payment. All payments must be made using MySchoolBucks. There are no transaction fees for this service. Please be sure to have sufficient funds on the account for meals ordered. The link to MySchoolBucks is: <https://www.myschoolbucks.com>. Thank you.
