FOOD SALES BY STUDENTS/OTHERS

Food Sales Other Than National School Lunch Program

The Salem Board of Education recognizes the need to provide nutritional foods as a part of its lunch program. Food or drinks which do not meet the minimal nutritional values set by the Food and Nutrition Service of the United States Department of Agriculture may not be sold or made available for sale between the beginning of the school day and the close of the last lunch period. No food or drink distributing machine shall be accessible to students during those hours unless the food or drink being sold meets the minimal nutritional values specified.

1. No foods or drink deemed in competition with the National School Lunch Program may be sold between the beginning of the school day and the close of the last lunch period.
2. Food or candy sales that take place during permitted times must have prior approval of the school administration and all profits must go to approved school/student organizations.
3. All foods and drink must meet or exceed the minimum requirements of the United States Department of Agriculture (USDA).
